

Creating a plan for the future can be overwhelming. Take the guesswork out and join LOV Inc.'s Fearless Future series. Under the expert guidance of our facilitators, our supportive workshop series empowers families and participants with disabilities to develop a concrete plan, get questions answered, and learn from experts.

Workshop Outcomes:

- Participants will create a Fearless Future plan and practice self-determination skills to become better advocates for their current and future support needs
- Participants and families will record a social, emotional, medical, and financial history and create opportunities for involving natural and paid supporters in the support plan
- Participants will have support to start or strengthen a Circle of Support

What:

Five sessions where participants and their families work to create an individualized Fearless Future Plan, with an additional participant focused session, all facilitated by LOV Inc. staff.

When:

- September 16, September 23, October 21, November 4, November 18th 6:30-8:30pm
- Participant Focused Session: September 30, 6 - 7:30 p.m.
- Additional Optional Work Night: October 28th, 6 - 8 p.m.

Where:

Online via Zoom

Who:

The participant, their primary caregiver(s), family members, friends, and/or paid supporters.

Cost:

The Fearless Future Workshop can be paid for with waiver funds (IRIS, Family Care, CLTS) or private funds. The cost is \$115 per session for a total cost of \$575, with an additional \$115 fee for the participant focused session, bringing the total cost to \$690. The cost includes materials, facilitator support, and customized guidance to start a Circle of Support.

Service Codes:

IRIS: Consumer Education and Training, S9446

Family Care: Consumer Education and Training, S9445

CLTS: Empowerment & Self Determination Supports: 113, S9445 (U7)
